

Hello everyone, I'm Kevin Sollenberger, the art teacher for Miller Park Elementary. I hope you and your family are well and keeping busy. I'll be putting together lessons plans each week to help keep your Simba artistically engaged. The art department of Omaha Public Schools has made an agreement with Davis Publications. All elementary OPS students have access to the Davis Publications e-books so I'll be creating lessons based on those materials. The web address is <https://ops.davisartspace.com>. Log in with user name el2, the password is ops. From there find grade level text and page of the lesson. I've listed most materials as paper, pencil, and crayons, but I'm very flexible on whatever materials are used. If your student has other art materials available, they are free to use those instead of what I have listed. If there are any questions from parents or students I check my email frequently and will respond in less than 24 hours. [kevin.sollenberger@ops.org](mailto:kevin.sollenberger@ops.org). If possible, take a picture of the finished project and send it to me for feedback. Please stay safe and I'm looking forward to seeing my students when we return.

### **Art assignments for the week of 4/6/20-4/10/20**

K p. 30-31 Read the directions. Create a collage of a face using whatever materials you have around, have fun, be creative. Think about what would make it interesting.

1<sup>st</sup> p. 12-13 Read directions. Create a drawing of your favorite toy with paper, pencil, and crayons. The directions ask you to make a collage, if you have colored paper and glue please do that rather than the drawing.

2<sup>nd</sup> p. 14-15 Read directions. Using warm colors create a drawing of the outdoors, then create another drawing of the outdoors using cool colors. Think carefully about how the colors will change your choices. draw a flower using paper, pencil, and crayons.

3<sup>rd</sup> p. 12-13 Read the directions. Using a pencil draw at least two figures. Don't make the head too big (it's a common mistake)

4<sup>th</sup> p. 6-7 Read the directions. Following the diagram draw a figure in correct proportion using paper, pencil, and crayons. Look very closely at the diagram! The learning target is correct proportion.

5<sup>th</sup> p. 6-7 Following up on last weeks lesson on portraits, draw a portrait making use of shadows. Feel free to draw from an example from a book or magazine or other source. Draw with a pencil, don't add color.
