

Grades 2 –5

Library

Learning Goal: I can identify Setting when reading fiction.

1. Read or listen to a fiction book/story of your choice. To access ebooks, go to getepic.com and sign in with your class code.
2. Discussion/Writing prompts:
 - a. When and where does the story take place?
 - b. How is the setting like a place you know? How is it unlike that place?
 - c. Would you want to visit any of the places or times in the story? Why or why not?

Technology

Learning Goal: I can create an algorithm to collect treasure.

1. Go to <https://code.org/student/elementary>
2. Choose Course C.
3. Complete levels in lesson 6 under Sequencing.

Grades PK-1

Library

Learning Goal: I can retell a story.

1. Go to getepic.com and log in with your class code. Read a fiction book of your choice.
2. Discussion/Writing prompts:
 - a. Retell the story using the following prompt: The story is about ... First... Next... Then... At the end...

Technology

Learning Goal: I can create an algorithm to guide BB-8 and Rey to the scrap metal.

1. Go to <https://code.org/student/elementary>
2. Choose Course A.
3. Complete levels in lesson 6 under Sequencing.
